Digital Portfolio

Education

University of Wisconsin-Eau Claire

Graduation: May 2026

- Degree: B.S Geospatial Analysis & Technology
- Certificate: Information Systems
- Certificate: Earth Resources

Technical Skills

Software Programs

- **ArcGIS Pro:** Geoprocessing Tools, Spatial Analyst, Network Analyst, Business Analyst, ArcPy, Interpolation, Enterprise Geodatabase Experience, ModelBuilder, Spatial and Non-Spatial Joins, Layout Design.
- **ArcGIS Online:** Webmapping, StoryMaps, Dashboards
- **ESRI FieldMaps, QGIS, Survey 123, ArcMap, ArcScene, Erdas Imagine**
- **Adobe Illustrator:** Cartographic Design
- **Microsoft Word, PowerPoint, Teams, Excel:** Dataset Creation, Dataset Manipulation

Languages

- **Python:** Geopandas, Pandas, Numpy, Matplotlib, Folium, Rasterio, GDAL, Shapely, ArcPy
- **R:** TidyVerse, TidyCensus, Leaflet, DPLYR
- **HTML, JavaScript, SQL**

Other

- **Field work:** GPS equipment & data collection

Relevant Work Experience

G.I.S Intern – Washington County Government

Oak Park Heights, MN June 2025-December 2025

- Built robust road network & conducted extensive analysis
- Assisted election coordinator with redistricting for municipalities and school district
- Worked independently on geospatial projects & with collaborated with non-G.I.S and G.I.S team members

Relevant Coursework

Geospatial

- G.I.S I, G.I.S II, G.I.S III, Quantitative Methods in Geography, Geospatial Field Methods, Applied Cartography and Geovisualization, Business G.I.S, Advanced Remote Sensing & Data Analytics, Remote Sensing of the Environment, Introduction to Geospatial Analysis, Cartography

Scripting/Programming

- Computing with Python, Data Analysis with R, Computing with JavaScript, Webpage Design with HTML

Environmental

- Biogeography, Climatology, Conservation of the Environment, Physical Geography

Leadership Experience

University of Wisconsin-Eau Claire Cross Country, Track & Field teams

Fall 2023-Spring 2026

Captain

- Year round committed approximately 40 hours per week to training, traveling across country to meets, managing team administration, and leading team meetings all while maintaining full course load and employment
